LIPUMAX-PPE CLASS D (AS 3996) WITH CONCRETE COLLAR TO SUIT ENGINEERED SLAB DETAIL

NOTES:

1. These details only provide a practical reference. ACO recommends designers and installers check local legislative standards and practices, or seek specialised engineering advice.

Specification Clause

For adequately reinforced concrete slabs, the grease separator shall be ACO Passavant, Lipumax-PEP below ground grease separator. The grease separator shall be supplied with a Rhinocast® Class D 240 kN (AS 3996) cover and reinforced concrete collar, (part number 142099) and installed in an engineered slab detail.

Grease separator shall be supplied and manufactured by ACO and installed in accordance with local codes and Standards.
