DRG #: IY021 LIPUMAX-PPE CLASS D (AS 3996) WITH CONCRETE COLLAR
TO SUIT ENGINEERED ASPHALT PAVEMENTS

www.acopassavant.com.au

NOTES:

1. These details only provide a practical reference. ACO recommends designers and installers check local legislative standards and practices, or seek specialised engineering advice.
2. Reinforced cast-in-situ concrete rebate to support and encase the precast collar assembly.

Specification Clause

For engineered asphalt pavements, the grease separator shall be ACO Passavant, Lipumax-PEP below ground grease separator. The grease separator shall be supplied with a Rhinocast Class D 240 kN (AS 3996) cover and precast reinforced concrete collar, (part number 142099) and installed in a reinforced cast-in-situ concrete encasement.

Grease separator shall be supplied and manufactured by ACO and installed in accordance with local codes and Standards.
